

ATANZ Funding Grant for ISAAC 2018 – Professionals

ATANZ offers funding grants to members seeking to develop their professional knowledge or conduct research that will benefit those who use assistive technology.

Closing date: 1 December 2017

Value \$500

Criteria:

- 1) Applicants must be a current member of ATANZ and have been a member for a minimum of two years.
- 2) Applicants must be New Zealand Citizens or Permanent Residents.
- 3) Applicants must be currently practicing in roles that involve assistive technology service provision.

Award Process:

Applications should be made in writing and emailed to ATANZ using the attached application form. The successful applicant(s) of the ATANZ Funding Grant will be determined by the ATANZ Board of Trustees during a monthly Board of Trustees meeting and then contacted by the Chair or Secretary. If an ATANZ BOT member applies for the funding grant they will not be a part of the team who make this decision.

Factors Considered in Decision Making:

- Quality of proposed activities.
- Relevance of proposed activities to ATANZ vision/purpose.
- Plan for disseminating knowledge to ATANZ members.

Conditions:

This is a one off grant created specifically in order to support New Zealand based professionals to attend ISAAC 2018 and share the knowledge gained with other New Zealanders. Three grants are available to professionals and will be paid out to the successful applicant in early 2018.

Successful applicant(s) must provide a report to ATANZ Board of Trustees, and share knowledge gained with ATANZ members through a forum mutually agreed upon between the successful applicant(s) and the ATANZ Board of Trustees.

The grant money will be either (a) reimbursed to the grant holder following proof of expenses being presented to the Chair or Financial Controller, or (2) be paid to service providers directly (e.g. airfares or conference registration will be purchased by ATANZ).

The grant may be held concurrently with another award provided that award does not disallow this.

Failure to attend the conference will require a full refund of the full value of the funding grant.
